Dear Business Owner,

If you haven't already paid your Concrete Chamber membership dues, or have never joined the Chamber before, please consider doing so right now to take advantage of the following benefits:

Fly High with the Skagit Eagle Festival

In January 2012, the Concrete Chamber will once again coordinate the very popular Skagit Eagle Festival. Only Chamber members are allowed to host any of the sanctioned Skagit Eagle Festival activities, and only Chamber members are listed in our materials.

Be Part of our Special Events

The Concrete Chamber also sponsors a variety of other events, including:

- Mardi Gras Parade on February 18, 2012
- Fourth of July Parade & Picnic on July 4, 2012
- Cement City Street Fair on July 21, 2012
- Fall Color Festival in October 2012
- Concrete Ghost Walk, every Saturday in October 2012

While our events are open to the public, the only businesses we work with in developing these events are Concrete Chamber members. That way, any publicity or referrals created during the events are an added benefit for our members.

Get Online with our Website

We have a beautiful new website at www.concrete-wa.com that provides a cost-effective way for your business to be listed online. Every Concrete Chamber member can have their own page on the site, which is customized to include your business name, contact information, location (featuring an interactive map), hours, description of products and services, photos and more.

At just \$100 per year, membership in the Concrete Chamber is one of the most effective forms of advertising. Please see any of our Board Members for more information about Chamber membership, contact Valerie Stafford at chamber@concrete-wa.com, or call our Office Managers Cheryl Werda or Valerie Lee at (360) 853-8784.

Thanks!

Valerie
