

New Parade Process This Year!

EASY LINE-UP

Based on feedback from previous years, we've made some changes to the 2024 Cascade Days parade to make this easier for everyone. Instead of requiring check-in and assigning numbers and spaces, we're asking all parade entries to get in line on a first come/first served basis. Please follow the line-up route, turning north from Highway 20 at 1st Street, across from the Grassmere Fire Hall, then turn east on Grassmere Road, which becomes Main Street. Volunteers will come by to collect your entry forms and make sure your place in line makes you and everyone around you happy. (The whole point of a parade is to have fun, right?) If you need a particular position in line (for instance, if you have animals or babies and don't want to be next to a loud entry that might spook them, just let us know).

NEED A PARADE ENTRY FORM?

Send a request to: Chamber@Concrete-WA.com

"Don't worry. Be Happy."
